1. Where do you want Me and when?
Why do you want Me and what will you do with Me?
Why do you want My riches and glory?
Why do you want My smiling face? My tender caresses? The knowledge of Me that truth is? The truth and nothing but. I love you.

2. What will you do when you come into Me and I into you, and know the fullness of Oneship that Father reveals in His creation, the love of His heart?

3. Yea, into Me see; see more and more clearly, those of you who wonder so often about the texture of these words; the conditioning, the positioning of words and syllables; concatenations and, deformations not, but yea, creating new formations of which I forever will. I love you.

4. **Inquire of Me and not each other so much. Who am I to say this? Who am I to ask of you this surrender of your thought-source of truth and freedom? Yea, Creator, Genesis 1.** I love you. I give you Me.

5. Thou art holy for I am holy and I am doing a new thing and the new thing in you is revealed to you, yea, to each other and how I interconnect My cellular. Watch Me.

6. Watch Me connect the cells of My body in ways and means that you have never thought of, never witnessed; **but will wish to copy, but can't.**

7. I am the original and you are Me, if and only if surrendered in meekness.

8. **Arrogance demises and turns your throne upside down, *darkening* your light, wick smolders**. Will I snuff it out in hatred of your arrogance, or do I still bow before you 7 times a day and more, meekly revealing Myself over/under and into/through words of My choice, My choosing, through My prophets who do you no harm but simply reveal My heart.

9. Yea, prophets of old, prophets of new, prophets of the same are. Yea, prophets of children-thought. Watch Me.

10. Into My siesta not, but yea the gardens, My gardens, gardens created for you. Come and walk with Me in, walk with Me, with Me; arm in heart, heart in heart, eye sight to eye sight, eye sight the same, heart the same.

11. And who/what is My strong right arm?

12. Watch Me as all changes so quickly and comes into being for you, especially, who have thought there is no tomorrow, no change, but only sorrow and pain; **those of you many have cried out for Me, seeking My face, seeking My heart, looking hard to find My eyes and know now they are yours.**

13. All changes so quickly and **in the twinkling of an eye you come home. You go home. You stay home. You are home and home is where I am, My house;** and you are Mine and you are Me.

14. **Into My temple see, seeing that you are My temple; released, freed and in no shadow of darkness of authority of another.**

15. All changes, forms; form, organizations, authority. Yea, who can do what/when/where and how, across what channels? All into Me come now and are seen and exercised with diligence, delight of only Me. Me.

16. And where is Father's house? You.
Where are you in Me? I in you and you in Me. We are One.

17. In the consciousness of cataclysmic activity will come to an end for those motionless, still, mind of Mine. Yea, one mind and surrendered, all, to our Father. Yea, communicative systems now unheard of, One; heartbeat, Mine. One syllable, language, Mine. Multi-compartmentalize-not, yea, but all out in the open. And **yea, who can copy Me? Try, no one.**

18. I am life and light and My heart beats in/with yours.
I love you and I kiss you and I freedomize you in the greatest of all freedom, ultimate, yea, and absolute, for your surrender is and **I give you Me before tea.**

19. Into Me more **see; the housewives-thought who lead nations**, who rule with an iron hand of pure love and light, that yea, is only Me and not of your kingdom-thought, but of Mine; who are My feet and My hands, My thought/mind.

20. What is rulership/leadership? Submissionship.

21. Yea, who can hear/be the voice of My Father to many brethren, leading in surrender to love loved?

22. I give you Me. Behold this day I do/you do. And yea, so many now through you and what I am doing in so many; in so many to and through and interconnected now in ways not fashioned in the mind of man. Topimony of only Me.

23. **See Me convene conferences now of many/few**, far and wide; teaching/sharing. Hegemony not, but yea, the freedom true that freedom is, yea, **Me/Father/you, and all who choose to bring Me forth,** now having in/with the strength of only Me.

24. I love you. Jeremiah's, Sarah's, come and so many of every nation tribe, dress, yea, and undressed-thought for the task before them/you. But yea, not so. Fit for My kingdom all for My who I created, birthed, came through My womb.

25. I love you and I give you Me. I give you this day; **sunshine and rain on your flowered desert. Desert no more. Gardens of Christ and mercy and now see Me fully-ized in those demised coming forth in leadership, humility.** Amen.
Good day.

26. Thank you for popping a tape in and letting Me speak/share. Yea, I will/do now more often, more and more.

27. I love you all My body.
I love you all, I give you Me.
I love you all. See My pleas, please.

28. I love you great one of sorrow none, now knowing who you are: all Me.
Good day.

29. Rising up upon the tables of sorrow not, but sight seen and clear, purely pure.
Thank you.
Good day.

Thank you.
